It's good-bye summer since you have torn August off the calendar. Don't feel very much like it today, but wait till the clouds roll by. Cooke has the shoes for fall and he wants you to see them. For men he has the handsomest line that was ever brought to the city. Call and examine them.

Tomorrow is Sunday. Be good. In the meantime you had better be wise and buy your groceries of Temple. Temple's store is the honest store; it is as honest as a Sunday school. The goods are just as represented—no better, but always just as good. Your money back every time this is not true.

NASH'S FRUITS FINEST YET SEEN

His Persimmons Have Been Sent to Washington as Wonders.

That Anderson county grows as fine fruits as any county on earth, and that she stands in her own light by not making this fact more generally known, is emphatically shown in the following very complimentary letter received by Mr. J. F. Nash from Mr. Sam H. Dixon, manager of the Texas horticultural exhibit at the World's fair. Other growers should follow Mr. Nash's example. But read the letter. It is a good one, and Anderson county, through Mr. Nash, has scored a good hit:

Texas Exhibit Horticultural Palace, St. Louis, Sept. 27, 1904.

Mr. John F. Nash, Palestine, Texas.
My Dear Sir:—Accept thanks for the shipments of fruit received yesterday. They came in the best of time, and were badly needed. The persimmons were the largest I have ever seen, and are attracting a great deal of attention. Prof. Irwin of the United States Government department, Washington, has sent two of them to Washington to have cast made, and to have colored print made from them. This will give you an idea how they are viewed. Your whole shipment was fine. I want more, especially of your fine persimmons. Let me hear from you right away. Will try to get off to Tyler on the 6th.

Your friend,
SAM H. DIXON,
Chief Dpt. Hort. Texas Exhibit.

Don't forget, if you are a lover of genuine Mocha and Java coffee, that it is proper to purchase the very best. By chemical analysis Alamo coffee has forty per cent. more codine than any other on the market, while the tannin is entirely extracted. This is done by a process known only to the National Coffee company. Thus the user gets forty per cent. more energy by using the Alamo coffee than any other on earth. Try it. W. G. Can You Eat?

J. B. Taylor, a prominent merchant of Christman, Texas, says: "I could not eat because of a weak stomach. I lost all strength and ran down in weight. All that money could do was done, but all hope of recovery vanished. Hearing of some wonderful cures effected by use of Kodol Dyspepsia Cure, I concluded to try it. The first bottle benefited me, and after taking four bottles, I am fully restored to my usual strength, weight and health." Kodol Dyspepsia Cure digests what you eat and cures. Sold by H. R. Coming to Tyler.

The Palestine Herald appreciates the importance of the Fruit and Truck Growers' Convention which meets here Oct. 6. The Herald suggests that Anderson county delegates charter a special car, decorate it and attend the convention a hundred strong. That's the way to talk and that's the way to make the convention successful and profitable. The Herald says: "Why not do the thing right? Let the truck growers of Anderson county charter a special car, put appropriate banners on it, and attend the big Tyler meeting a hundred strong and in proper style. We need to impress many of our town people, as well as our neighbors, that we are in this industry for keeps. Let's go to Tyler in good shape."—Tyler Democrat-Reporter.

Entertained.

Wednesday evening a very pleasant "tea" was given at the home of Miss Mattie Redwine, assisted by Miss Linsion. It was a most enjoyable affair.

A musical program was rendered, after which we repaired to the dining-room, where a most sumptuous spread awaited us.

We were all pleased to have so many of the B. of L. F. with us.

We had a pretty good time all around. At a late hour we parted, with a heartfelt wish we one and all might have the opportunity of renewing the pleasure in the very near future. MRS. W. A. ANDERSON,
Corresponding Sec'y.

For blind, bleeding, itching, protruding Piles, eczema, cuts, bruises and all skin diseases, DeWitt's Salve has no equal. This rise to numerous worthless imitations. Ask for DeWitt's—the genuine.
